

2023 PRICE LIST

*1 ALL NATURAL WINES

SkyPine Vineyards Casi Noviembre Port 2006 \$30 A combination of the bright red fruit of a ruby port with the flavors of pear and caramel of a Tawny; a lovely port with cheese and dried fruit or crème brulee, and Maduro cigars.

SPV 2013 Pine Mountain Cloud \$38. A special field blend of Merlot, Cab franc, and Malbec, one of a kind; and fashioned after the Claret style Bordeaux wines. This is real claret style: “a Bordeaux blend that is lighter and fruitier”. Great as pre-dinner wine or with chicken dishes.

SPV 2013 Cabernet Franc \$39. *Our devotees of this spicy varietal grow each year, along with our reputation. So, plan you next cuisine party from around the world and serve this special accent win; or a better idea, see the next comment.*

SPV 2014 Cabernet Franc \$39. *You are correct; we have 6 vintages of this varietal. So, you can do a vertical taste with each of the other Cab francs. Make that a party theme, along with those spicy hot wings, Tex mex or grilled fish on the BBQ and you will be a party host monster in your neighborhood.*

SPV 2015 Cabernet Franc \$39. *You are correct; we have five vintages of this varietal. So, you can do a vertical taste with each of the other Cab francs. Put it with some pepper jelly on smoked gouda, for a real pre-dinner treat.*

SPV 2016 Cabernet Sauvignon \$40. *Not a fan of those huge tannic bombs? This Cab is lighter with about a 4 on the tannin scale of 10. So, you can enjoy it maybe aperitif and also with that traditional large protein dish.*

SPV 2016 Cabernet Franc \$39. *We continue our tradition of exceptional “francs” with their spicy notes complimentary with all international cuisines. The '16 CF is smooth with the warmth on the throat so appealing.*

SPV 2018 Petit Verdot \$38. *The rare Bordeaux, highest price per ton of all grapes in Alexander Valley; used by winemakers for some special blending attributes. Best described by our tasting panel: “Smooth all the way”; aromas of wild grapes with cinnamon/ nutmeg hint. Not many wineries bottled this varietal; but we do!! Small bottling only 15 cases.*

SPV 2019 Cabernet Franc \$39. *This vintage was one unique for us, as it was a joint effort between our vineyards and a very well-known retired winemaker whose name just happens to include the word: “Angel”. So, we have named this vintage: **Spice Angel**” in honor of this collaboration. Full bodied for pairing with your favorite zesty entrée’s.*

SPV 2020 Cabernet Franc \$39. COMING SOON FALL 2023

***1** *What are “Natural Wines”? Vintages are left to reflect their individual personalities without adulteration or manipulation toward a given style or flavor theme. All children grow up to be different adults.*
